Thank you

To all the families who were able to assist with the watering during the holidays. With only one week of hot weather and some the rain the garden is looking quite healthy and bearing plenty of fruit.

Produce for sale

Over the next few weeks you may see a box outside the school gate with eggs, zucchinis, etc. Please help yourself to some of our excess produce for a small cost. The box is taken inside during the day because of the heat. The box is kept in the fridge in the corridor if you would like to check to see what is available.
